

draw your story

STAINED GLASS WINDOW AR EXPERIENCE

Stained glass windows tell stories. What story would you tell in your stained glass window?

1 Use this template to draw a stained glass window design that tells your story. You can include people, images or themes that illustrate the story you want to tell, or it can be an abstract design.

2 Using the QR code below, download the “Draw Your Story” App for iOS and follow the instructions to see your artwork in place in the Cathedral!

Follow *The Racial Justice Windows Project at Washington National Cathedral* at cathedral.org/windows.

Design your own window

Please sketch within the yellow boundaries
